Scale - 1 : 1,000

LEGEND:

Standard Road Allowances on this plan are 20.117 metres in width.

Measurements are in metres and decimals thereof.

The Unique Identifier of S064 has been stamped on all established standard iron posts.

Area to be approved is outlined by a heavy dashed line.

Monuments found are shown thus

Standard iron posts planted are shown thus

Established Points where unable to Pl.I.P. shown thus

Planted small iron spike where unable to Pl.I.P. due to facilities

All lot corners not marked by a standard post are marked by 0.013 x 0.450 small iron posts.

Reference points are shown thus RP1 RP2

The Datum Used: NAD83 (CSRS)

The Projection Used: UTM Zone 13N Extended

Geo-referenced points derived from GPS observations

RP Coordinates were derived on July 9, 2014
